**REQUEST FOR CERTIFICATE  
OF CORRECTION UNDER 37 C.F.R §1.322**

Sir:

Pursuant to the provisions of 35 U.S.C. §254 and 37 C.F.R. §1.322, Patentee respectfully requests issuance of a Certificate of Correction to correct an error in the printed document of U.S. Patent No. 6,883,994 which issued on April 26, 2005. A completed Form 1050 is enclosed that specifies the error for which correction is requested.

Specifically, the Title Page of the issued patent does not reflect the correct filing date of the application. Although this application was filed on August 18, 2003, there was an attempt to file it on August 15, 2003. It could not be filed on August 15, 2003 because the Post Office was closed due to a power outage in New York. Applicant filed a Statement Under 1.6(e) indicating that the proper filing date was August 15, 2003. A copy of the Statement Under 1.6(e) is enclosed as Exhibit A. It is this date that should have been used when the patent was printed. Due to a Patent Office mistake, this paper was ignored.

No fee is believed due. However, the Patent Office is authorized to charge any fees which may be required by this paper to Deposit Account 13-3250, Order No. 36902.00000.

It is respectfully requested that a Certificate of Correction be issued to Applicants to correct this printing error.
